

Garage 4 Meter Duration Conversion

Duration change from Long-Term to Short-Term

What:

- On or about **Wednesday, November 14, 2018**, Montgomery County's Division of Parking Management will convert 68 long-term spaces to 2-hour on Garage 4's first floor. Enforcement of the durations will be in effect as soon as the conversion takes place.
- Customers looking for nearby long-term parking will find availability in Garage 5/55 (Bonifant-Dixon Garage) and Garage 60 (Wayne Avenue Garage). See map for location details.

Why:

- Additional turnover to create greater availability is warranted to accommodate the surrounding businesses.
